

Rules for the Canada Day Themed Scavenger Hunt

1. Contest is open to all West Rouge Residents
2. The idea behind the Scavenger Hunt is to have families find the items together and to become more familiar with our wonderful community.
3. Photos as proof of finding the listed items must be taken between June 27 and July 31, 2021.
4. All submissions must be accompanied by an active email address.
5. Photos should be reduced in size for emailing. All photos should be sent only after all 20 items have been found and documented. The submission should be sent on the same day in as few uploads as possible. PLEASE do not send in the photos one at a time as they are taken.
6. Prizes will be awarded after the contest closes.
7. This is not a contest in the true sense of the word. We are not looking for the first families to find all of the items but to have fun doing the search so please do not be put off if you do not send in your entry until the last day.

West Rouge Sports and Recreation are just trying to keep our community engaged in activities until we can return to our normal activities. Please join us in this and our other endeavours until we we call engage again in person.

The list for the Hunt is on the next page!
